

Call for Nominations

Commonwealth Innovation Awards 2019

The prestigious Commonwealth Secretary-General's Innovation for Sustainable Development Awards 2019 have been launched and the calls are open for nomination.

The Awards seek to celebrate and support impactful innovations and revolutionary solutions that are helping Commonwealth countries achieve the Sustainable Development Goals (SDGs). A total of 15 winners (3 each) will be selected in 5 thematic categories:

- 1) People
- 2) Prosperity
- 3) Peace
- 4) Planet
- 5) Partnerships

The winners shall receive a trophy, a certificate and a cash prize of £2000.

The names of deserving candidates as nominees for the Commonwealth Innovation Award may be sent to COMSATS via email

(rida.bokhari@comsats.org ; farhan@comsats.org)

by 9th November 2018.

Further details of the Awards can be acquired from the following website:
